

# CERTIFICATE OF RECOGNITION

Presented to

*Mishran Haque*

Thank you for your dedication, effort and high quality of work on our Canadarm3 project this term. Your support has provided an important contribution to the Canadarm3 Phases C and D planning effort by initiating the update to the Canadarm3 Project Management Plan. Your positive attitude towards tasks, willingness to learn and use new work tools, to assist and work with others, and your eagerness and enthusiasm for Canadarm3 and space in general, were highly appreciated. These have made it a pleasure to have you on the Canadarm3 Project Management team.

I wish you continued success in your education and future, and hope that we will see you again at the CSA in the future.
